APPROVAL NOT REQUIRED REVIEW
Najas - Plat 24, Lot(s) 73 & 394 – 524 Newman Ave.

Summary: The applicant has submitted a request for an Endorsement of a Plan Believed Not to Require Approval.

Findings of Fact:

Existing Conditions

- Lots 73 & 294 contain 10.93 acres of land with an existing dwelling and a wooded area to the rear. The property is in an R-2 Zoning District.

Proposed Lot Amendments:

- Move an interior lot line to accommodate a future subdivision.
- The lot with the existing dwelling will have the requisite amount of frontage (120'). Vital access to the lot exists and it will front on Newman Ave., which is an accepted way.

Recommendation:

This application meets the exemption clause within the definition of a subdivision in the Rules and Regulations Governing the Subdivision of Land for changing the size of lots in such a manner so as to not leave any lot affected without the proper frontage.
