

CONSERVATION COMMISSION POLICY #1  
APPLICATION DEADLINE

The deadline for submittal of applications is by the close of business day on the second Tuesday prior to the Conservation Commission meeting. The application shall be complete and include the appropriate forms, plans, fees and supporting information. Incomplete applications will not be accepted.

This applies to the following applications under the authority of the General Laws of the Commonwealth and the Town of Seekonk Wetlands Protection Bylaw and Regulations and any amendments thereof:

Notice of Intent

Abbreviated Notice of Intent

Request for Determination of Applicability

Abbreviated Notice of Resource Area Delineation

CONSERVATION COMMISSION POLICY #2  
AGENDA ITEM DEADLINE

The deadline for agenda items and any new information (including, but not limited to documents, revised plans, reports, etc.) to be reviewed by the Agent is by noon, five business days prior to the meeting day. Any item or new information received after noon will be placed on the next meeting agenda. This does not apply to application submittals. Applications have a different deadline (see CONSERVATION COMMISSION POLICY #1 APPLICATION DEADLINE).

CONSERVATION COMMISSION POLICY #3  
EXTENSIONS

Applications submitted to the Conservation Commission may receive only a 1-year extension after the initial 3-year permit approval. If the project is not completed within the 1- year extension timeframe then a new application shall be filed.

This applies to the following applications under the authority of the General Laws of the Commonwealth and the Town of Seekonk Wetlands Protection Bylaw and Regulations and any amendments thereof:

Notice of Intent

Abbreviated Notice of Intent

Request for Determination of Applicability

Abbreviated Notice of Resource Area Delineation
