

TOWN OF SEEKONK
BUILDING DEPARTMENT

PROCEDURES FOR SCHEDULING
INSPECTIONS

To schedule Building and Mechanical Inspections, you must contact the Building Department at (508) 336-2990.

To schedule Electrical, Plumbing or Gas Inspections the licensed contractor at the time of pulling the permit will get the contact information. Our Electrical & Plumbing Inspectors are part-time and do not keep any office hours.

If you are a licensed Electrician or Plumber and need the contact information, please have your permit number handy and we will be happy to furnish you with the inspectors contact number(s). You may reach us at: (508) 336-2990.
