MEMORANDUM

To: The Planning Board

From: John P. Hansen Jr., AICP, Town Planner

Date: August 17, 2010

Re: Grassy Hill Farm-final surety release and road acceptance recommendation

The applicant for Grassy Hill Farm has requested final surety release of \pm \$7,400 and acceptance of the Letendre Drive. This road has been completed and found to be acceptable to DPW. The outstanding issues have been resolved (cleaning out of detention basin and swale reconstruction) and ConCom has received their outstanding items (as-builts and engineer's certification). This office recommends the Board should take two separate actions, as follows:

1. Release the remaining surety
2. Recommend to Town Meeting that the road be accepted
