Re: Banna Estates-53G Inspection Account Replenishment

A 53G Inspection Account was established in July 2008 prior to construction commencing at Banna Estates in the amount of \$12,000 for Weston & Sampson to perform the subdivision inspections. At this time, Weston & Sampson is seeking a replenishment of \$4,000 to this account (\$1,000 for prior inspections and \$3,000 for anticipated future inspections). If approved, the developer would be contacted to supply these funds.
