Re: Proposed Sign Bylaw

The BOS has proposed two warrant articles related to the sign bylaw for the Spring Town Meeting. One is related to definitions and the other is related to temporary signs. The first article expands upon the definitions in the current bylaw and provides pictures of each. The article on temporary signs increases the time that such a sign can be erected from 30 days (currently in bylaw) to 120 days (proposed), which shall be comprised of two non-consecutive 60 day periods in a calendar year. A motion to recommend or not recommend should be made on each article so it can be reported at Town Meeting.
