Here is the link to SRPEDD's Economic Development webpage:

[http://www.srpedd.org/economic\\_development.asp](http://www.srpedd.org/economic_development.asp). Once there, click "A Best Practices Model for Streamlined Local Permitting" near the bottom. From looking at the 26 items outlined in the table of contents it appears we do several of these practices, namely #s 4, 7-10, 12, 14, 15, & 18-21. Practices that we could explore doing include #s 2, 3, 16, 17, 22-26. We can discuss this at the next meeting.
