

# Kitchen Compost Bin Giveaway

We have a limited number of small in-home compost collection bins to giveaway to residents, as well as compostable bags.

Stop by the DPW (871 Taunton Ave Seekonk) anytime during office hours (Mon-Fri 8am-4pm) to pick up a bin and/or compostable liners, while supplies last.

You can transport your food waste to the collection bins at TARF in these bins, in compostable bags, or any other container you'd like to use to dump the contents.

Please don't leave plastic bags or containers in or around the bins.

Just dump the food waste only into the bins!
