

## Resources for Restaurants

- Apply for a [subsidy](#) from us.
- Trying to convince a restaurant to go plastic-free? Help yourself to our [folder of goodies](#): Restaurant Pitch Deck, one-page Restaurant flyer, PFR logos, etc.
- Download the [Reusable Food Serviceware Guide](#) created by [Rethink Disposable](#).
- Download the [Reusable Foodware Database](#) created by [Center for Environmental Health](#).
- If your restaurant provides crayons to tables with kids, sign up for [Crayon Collection](#). (It's free!)
- If you are already plastic-free, please [email us](#) so we can add you to our [nationwide list](#).
- Find a [composting facility](#) near you.
- Find a [composting facility](#) based on which types of products are accepted.
- Find a [composting pick-up service](#) in your area.
- Find out if your state, city, or county is considering [legislation to ban PFAS](#).
- Not quite ready to go 100% reusable? Download our [Compostable Products Buying Guide](#) and check out this helpful [guide to PFAS-free compostable food ware](#) from the Center for Environmental Health. You can also search a manufacturer, product type, or SKU# for its "certified compostable" status from [Compost Manufacturing Alliance \(CMA\)](#) or [Biodegradable Products Institute](#). Just make certain that you are purchasing "compostable" food ware that does NOT contain PFAS.
