

ADMINISTRATIVE POLICY #49

Certificate of Good Standing

PURPOSE:

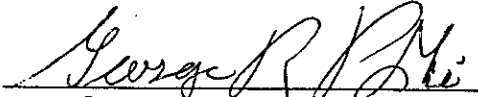

In order to adhere to the Town By-law and to stimulate tax collections while not allowing any individual or company to do business in Seekonk while not paying their fair share of taxes, we will institute a policy of good standing.

POLICY:

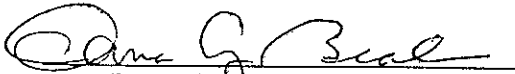

1. A completed certificate will be a required part of any filing BEFORE it can be accepted for processing.
2. The certificate will be submitted to the Treasurer, by the Boards or Commissions involved and will be completed and returned to the Boards or Commissions within three days.
3. If the applicant is current, the Boards or Commissions may then process the request. If, however, the applicant is deemed to be delinquent, he/she must pay the entire arrearage in order to resubmit the request or make arrangements with the Treasurer/Collector for payment.
4. The certificate is valid for thirty days (30) days from date of issue. Once a certificate is no longer valid, it is the Board's or Commission's responsibility to obtain another certificate from the Treasurer/Collector.
